EXPERIENCE

Dave Partners, LLC, New York, NY   *July 2012 – August 2012*
Intern
Executive Retained Search service aimed at securing the best talent for top-tier/high growth, venture capital and private equity-backed internet, ecommerce and digital media companies; specifically VP and C-Level searches.

- Became familiar with the start up environment in New York.
- Familiarized myself with current technologies such as Cloud infrastructures, Ruby on Rails programming, and SAAS.
- Took part in the day to day operations of an executive search firm; including interviews, meetings, and job placements.

Berlin Startup Factory   *October 2013 – November 2013*
Business Analyst Intern
A number of different startups run by Emil Kendziorra, including Onfeedback and Medlanes.

- Took a top down approach to finding Berlin Startup Factory's next venture.
- Analyzed European startup trends.
- Researched a number of business models popular in the startup world.

SKILLS/INTERESTS

Languages: English, German
Software Skills: C++, matlab
Awards: German American Scholarship ($1000), Florida Bright Futures Academic Scholar ($3500)
Activities: triathlon, soccer, piano, chess
Volunteerism:

> *Shake-a-Leg Miami:* Volunteered as a Windsurfing Instructor, Kayaking Instructor, and part time Teacher. The program helps children who are underprivileged or disabled, take part in activities such as windsurfing, kayaking, sailing, etc. FCAT tutoring was also available to the underprivileged children. Two entire summers were dedicated to these children.
> *Sunset Elementary School:* Tutored both mathematics and German for children experiencing difficulties learning the required material for both the language program and FCAT testing, at a local elementary school.

Interests: topology, graph theory, java, android development, startups, economics
